One of his favorite books is Huxley's discovery of drugs (Cambridge, mescaline etc.).

He enjoyed Lay's chips.

A [redacted] strike causes problems for his work? [shortage]
Metals, electricity ...
[redacted] Sometimes called "the Magician".

A Spinozist chemist. A Cartesian chemist. A Pascalian chemist...

[redacted]

[redacted]

- « Oh, the magician has arrived. »
- « I like to think of myself as a rational chemist. »
